SERVICES PROVIDERS

Florida Agency for Persons with Disabilities (APD)

Supports persons with developmental disabilities in living, learning and working, in all aspects of community life.

305 East Drive, Suite L • West Melbourne, Florida 32904 • (321) 409-6518
400 West Robinson Street, Suite S430, Orlando, FL 32801. (407) 245-0440

<http://apd.myflorida.com/area/7/>
APD.info@apdcares.org

The APD program can provide a **Waiver Support Coordinator (WSC)** who can advise and coordinate the full range of services helpful to a person with special needs. The process by which someone gets access to a Waiver Support Coordinator (WSC) is as follows.

- Waiver Support Coordinators are not allowed to solicit a caseload.
- A disabled person must first become a client of APD (Agency for Persons with Disabilities). They then have to request to be put on the iBudget Home and Community-Based Waiver.
- If accepted for the Waiver, they are then given a "Choice Letter" with WSC's that have openings (they have a legal limit of 43 full cases with minors being considered "half cases"). The individual and their family interviews available WSC's then selects the one they like.
