

Where History Comes Alive!

Eyes Open, Hands On!

Colorful dioramas depicting the area from the days of woolly mammoths and saber tooth cats to the modern era of rockets and space shuttles. Visitors can handle fossils, specimens and artifacts from the animals and cultures that lived in this area over many thousands of years.

Permanent Exhibits:

- The great mammals – fully articulated Giant Sloth and related fossils
- Windover archaeological site (Titusville Paleo-Native discovery)
- Florida history – Ais and Seminole culture, turpentine industry, Cracker culture, the railroads, citrus industry, and more

For Kids Only

The Imagination Center - Children can act out a piece of history or a flight of imagination from the Space Shuttle or pull up a pillow under the tree and read.
