

Veterans Memorial Park

As you enter through the entrance, you cannot help but notice over 2,600 memorial bricks placed in the entrance floor in honor of past scholarship winners.

Brick sales provide for these scholarships.

Circle of Heroes

04/17/2012

The center circle has a special light especially designed for our memorial. It gives a beautiful glow at night

and is designed to light up the entire 90 foot diameter outer wall without disturbing the neighbors.

The peace monument is in the front of the circle and has a white tube alongside that contains brick application forms.
