## National Park Service News Release

Release Date: March 18, 2020

Contact: [Laura\\_Henning@nps.gov](mailto:Laura_Henning@nps.gov)

### Canaveral National Seashore is Modifying Operations to Implement Latest Health Guidance

Titusville/New Smyrna Beach– Canaveral National Seashore is announcing modifications to operations to implement the latest guidance from the White House, [Centers for Disease Control & Prevention](https://www.cdc.gov) (CDC), and local and state authorities to promote social distancing. As of March 17, 2020 the Apollo Visitor Center will be closed and scheduled programs are suspended. All park entrance fees collected in person, including commercial tour entrance fees and transportation entrance fees, will be suspended beginning March 18, 2020 through March 30, 2020. Where it is possible to adhere to the latest health guidance, at this time the beach and the trails will remain accessible.

The health and safety of our visitors, employees, volunteers, and partners at Canaveral National Seashore is our number one priority. The National Park Service (NPS) is working with the federal, state, and local authorities to closely monitor the novel coronavirus (COVID-19) situation. We will notify the public when we resume full operations and provide updates on our website and social media channels.

The NPS urges visitors to do their part when visiting a park and to follow CDC guidance to prevent the spread of infectious diseases by maintaining a safe distance between yourself and other groups; washing your hands often with soap and water for at least 20 seconds; avoiding touching your eyes, nose, and mouth; covering your mouth and nose when you cough or sneeze; and most importantly, staying home if you feel sick.

For high-risk populations, such as the elderly and people with underlying conditions, we ask that they take extra caution and follow [CDC guidance](https://www.cdc.gov) for those at higher risk of serious illness.

Updates about NPS operations will be posted on [www.nps.gov/coronavirus](http://www.nps.gov/coronavirus). Please check with [www.nps.gov/cana](http://www.nps.gov/cana) and social media [@canaveralnatlseashore](https://www.instagram.com/canaveralnatlseashore) for specific details about park operations.
