## Guide to the Butterfly Gardens

### Plants that provide food . . .

*Asclebias incarnata*

### Milkweeds

*Asclebias tuberosa*

### Passion Vine

*Passiflora suberosa*

### Corky-stem Passion Vine

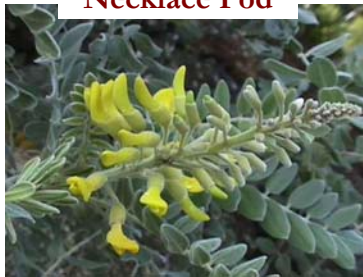

*Passiflora incarnata*

### Partridge Pea

*Chamaecrista fasciculata*

### Necklace Pod

*Sophora tomentosa*

### Bahama Cassia

*Cassia chabmanii*

### Wild Lime

*Zanthoxylum fagara*

### Hercules' Club

*Zanthoxylum americanum*

### . . . for these butterfly larvae:

### Monarch larva

*Danaus plexippus*

### Queen larva

*Danaus gilippus*

### Gulf Fritillary larva

*Agraulis vanillae*

### Zebra longwing larva

*Heliconius charitonius*

### Gray Hairstreak larva

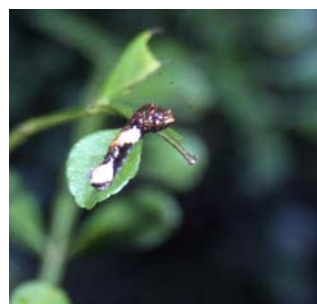

*Strymon melinus*

### Sulphur larva

*Phoebis sennae*

### Giant Swallowtail larva

*Heraclides crespontes*

### Red Admiral larva

*Vanessa atalanta*
