6195 North Tropical Trail Merritt Island, FL 32953 321.449.4720

Native American Study Trip

Friday, October 2nd, 10 am-noon

An introduction to the Native Peoples of Florida including history, Timeline Trail exploration to their village, hike and learn the skilled use of the Atlatl, and make a craft to take home.

Seed Dispersal Study Trip

Thursday, November 5th, 10 am-noon

Discover the secrets of seeds, plant survival techniques that provide successful propagation of their species. Understanding how seeds travel, we will venture into their home habitats and observe plant diversity up close.

Ice Age Megafauna Study Trip

Thursday, December 3rd, 10 am-noon

Mastodons, Glyptodonts, Ground Sloths, oh my! What changes to Florida affected the Megafauna who once roamed throughout our area? Discover the fossils of ancient animals, chart your findings on bone charts, and sift for artifacts of the past.

Origin Stories Study Trip

Friday, January 8th, 10 am - noon

Who are we and where did we come from? What are the stories of your origins? Uncover the mysteries of Culture as students create their own cultures represented by symbols and learn interpretation skills to uncover the origins of other cultures.
