6195 N Tropical Trail Merritt Island, FL 32953 321-449-4720  
[www.facebook.com/samshousepineisland](http://www.facebook.com/samshousepineisland) & [www.eelbrevard.com](http://www.eelbrevard.com)

Open Thursday to Sunday 9 am to 5 pm-  
All events are free unless denoted by \*

### First Peoples: America

**Saturday, November 7th, 11:00 am to 12:00 pm**

How did our ancestors spread from continent to continent? What was the secret of their success? The global detective stories feature the latest archaeological discoveries and genetic research. Our first viewing of the PBS special presentation will take us to the Americas to discover who the first people were and investigate arrival on this continent.

### First Peoples: Africa

**Saturday, November 14th, 11:00 am to 12:00 pm**

200,000 years ago we took our first steps in Africa. Today there are 7 billion of us living across the planet. Factors leading to the distribution of population across the continents will be explored in this second session of our PBS special presentation.

### Atlatl Workshop\*

**Saturday, November 21st, 10:00 am to 12:00 pm**

We will be hosting our first workshop to construct an Atlatl and throwing spear. The ancient technology will provide access to creating a most necessary tool for our Native American Ancestors. Registration is required as spaces are limited and there will be a minimal charge of \$10 for the materials costs. Please call 321-449-4720 to sign up!

### First Peoples: Europe

**Saturday, November 28th, 11:00 am to 12:00 pm**

Latest discoveries of genetic research play a key role in the understanding of distribution of population across the European continent. These facts will be explored in this third session of our PBS special presentation.

### Sams House and Cabin Tour

**Every Thursday & Saturday at 3:00 pm**

Tour the inside of Brevard County's oldest standing home (Sams Cabin, 1875) and the adjacent 1888 Florida vernacular-style home and learn about the Sams Family.
