TAL Newsletter

July 2015

Newsletter available for download at www.titusvilleartleague.com.

Message from your President:

Hello to all. I've been president for a month now so I'm starting to get the hang of what this position entails and so far, so good.

Here are some of the new things that committee heads and myself have done.

Through the efforts of Theresa Grosse as Head of Education and Valorie Stanley our new children's and young person's art classes just finished its first week. TAL is thrilled to have Valorie – she formally was teaching kids classes at Studio Plus who will soon be closing their doors. When she needed a new home for her classes she thought of TAL and we're glad she did. She has brought most of her old students with her and is teaching both morning and afternoon classes during the week. If any of our TAL members know of any youngsters looking to take some art classes please direct them to TAL. It's the best art schooling for the young in Titusville.

On Saturday June 20th, Bob Bielling, Thomas Polk, Bill Mitchell and myself turned what we thought was going to be a two hour gutter replacement job into to a four hour epic but we did 'get 'er done'. Thomas Polk our new Facebook and Social Media Committee Head filmed a short video [vimeo]. If you haven't seen it yet, have a look at the "Gutter Replacement Job" starring Four Hot Guys (it was 90degrees out) on the TAL Facebook page. For future reference, if TAL members have any art related information (TAL or non-TAL related) – art shows, receptions, classes, seminars, videos, movies or whatever, let Thomas know and we'll see about getting them posted on Facebook. His email is: thomaspolk54@gmail.com

Bob Bielling and I have slightly changed the look of the back room (classroom) to open it up for the kid's classes and in preparation of further enhancements. We still plan on making more improvements to the classroom with some permanent divider walls that will also double as display walls for future in-house TAL art receptions. In order to pay for these improvements **TAL will hold a weekend rummage sale** sometime in the fall. We will do our best to publicize this sale and give ourselves as much advance notice so we can start collecting donations for our sale. Keep this in mind before you get rid of anything. Stay tuned for more about this in the future.

Candi Thorpe and I met at the college with the Birding and Wildlife Festival organizers to look at the new viewing area for TAL's participation in this major festival. We have discussed all the logistics involved at the recent Board Meeting and are moving forward with our participation with the Birding and Wildlife Festival once we have ironed out a few conditions regarding TAL's continued participation. Stay tuned.

Finally, our big SPRING ART SHOW for 2016 will be at Parrish Medical Center from Friday March 18 thru Sunday March 20. Display set up and intake will be Wednesday March 16 and we will hang the show on Thursday March 17.

That's it in a nutshell; don't forget – the theme for July's Artist of the Month is the "American Flag" in any red, white and blue forms. The winner will become the Banner for Facebook for that month. Little by little, I'm enjoying getting to know and enjoy working with my fellow TAL members. I appreciate all that you do. There was no demonstration for the June meeting but our July meeting will feature Leah Andritz and Connie Allen demonstrating the art of Zentangle. I look forward to it very much because I don't even know what it is! Is it Zen or is it Tangle or a combination of the two...I guess we'll find out. I hope to you there.

"Inspiration exists, but it has to find you working" <Pablo Picasso>
See you soon, Rick Seguso
