

Classes Offered in Titusville

Now What? Problem Solving in the Real World

We will break down the different facets involved in trying to solve problems and why it is important to take on an increasingly larger role in finding appropriate solutions.

Relationships 101

Our 20s and 30s are the time when most young adults are forming relationships, for friendship, housing, employment and dating. However, understanding the rules for relationships often brings about concerns, for both safety as well as to ensure success.

Social Foundations

Developing social skills is key for success, not only in work and living settings, but also for safety. We will learn vital social skills such as rules for sharing information and appropriate topics for discussion.

Dating in Today's World

Students will have the opportunity to discuss dating and learn advanced relationships skills such as setting limits and understanding others. Learn the importance of respect, boundaries and commitment.

Classes are designed for individuals 18-40 yo
with special needs.

Class dates to be
determined based on interest
