Your Child's Academic Future

As a good parent, you want the best for your child. One of the things that is on the top of the list is being successful in school.

Students are faced with so many demands in school and consequently, some need additional help.

Hidden Potentials is the "GO TO" agency for students who are struggling in school. So whether your child is having difficulty with a particular subject, conquering test anxiety, or fine tuning critical study skills, a tutor is ready to help you!

***Because Every Child
Deserves A Fighting
Chance***

What Makes Us Different?

Hidden Potentials believes in providing the highest quality program for your child. Our certified teachers are knowledgeable and experienced in the exact subject that challenges your child.

Our Brevard County services are done in the student's home. Online tutoring is available to all other middle and high school students outside Brevard County.

Package discounts are available and there are never any long term financial contracts to sign.

Non-Profit

For 17 years, Hidden Potentials has served the families of Brevard County. Our company was founded because of the need of the Director's son, Tristan, who has autism.

The Board of Directors, Management & Staff all believe in giving every child a fighting chance. We are passionate about what we do and want to help as many children as we can achieve their academic goals.

Middle & High School Students can fine tune their skills:

Effective Note Taking

Time Management

Reading Skills for Success

Reference & Research

Test Taking Strategies

Conquering Math Word Problems
