Dear Pilots:

This is my first message to you and I would like to thank you for the trust you have placed on me to lead your this coming year. I am most honored and grateful. I am thankful to all the Division Chair sand Special Appointees for taking on the assignment given to them and for serving our club.

I am grateful to Evelyn Taylor for being my installing officer, but most importantly for being my Pilot mentor. Community service is not new to me, it has been my mother's unconditional, unselfish love for others that have inspired me to serve.

Since I became President Elect I has been observing and trying to understand what members want, so I can come up with a plan to take us to the next level. Many ideas come to my mind, there is so much I want us to do and I know we can do it as team, but are those ideas best for our club?. The answer was not. So I went back to basic, The Strategic Planning: Stronger membership, Stronger representation in our community and Stronger involvement in our community. Our Division Chairs took that in mind when working on the Plans of Work, now we need your support, energy, enthusiasm, participation and patience.

I am most excited about our new members Ali Waldron, Dianne Johns, Charlene Harper and Lori Shepherd and to their sponsors. And while Ali and Dianne has been with us for over 2 month, they are new and need our support and mentoring. I am grateful to the Membership Committee for organizing a New Member Orientation for August 25. I am looking forward to seing you all.

Our 1st fundraising is coming up soon and we need your support promoting this event. See the fundraising report below for more information . The Anchor Division is getting ready for a new year and I am looking forward for our club and the Anchors to work together in many activities. This is a great opportunity for us to inspire the future of our community. The Project Divison has many projects where we all can participate and make a difference in our community.

I know I count on your support as we embrace our strategic planning and strengthen our position in this community and our relationship. Let's always remember Robin 's inspiration from the August meeting: let's do what is asked of us with love and give it our best. Let's always remember our motto: True Course Ever.

In Friendship and Service,
 Lily Renzetti

Membership Division

2012-2013 Goals: Membership, Leadership; Recognition

In July, the Club extended a warm welcome and introduced new members; Charlene Harper and Lori Shepherd. Do you remember when you first became a Pilot? I remember when did. So much information, so many questions, I will never learn! Let's all show Charlene and Lori what an excellent organization they have joined. One where friendships last a lifetime; and relationships begin with one conversation at a time.

New Member Orientation scheduled on Saturday, August 25, at 8:30 am at Heritage Hall, Parrish Health Village West (just south of Parrish Medical Center). New Member Orientation is extended to all Pilots. Please RSVP to Rachel at 480-2349.

Preliminary plans are being made for our first joint social gathering with Space Coast Pilot Club. Chef Larry's has been contacted to see availability at his restaurant. More to come later...

Membership is **Club Building** where you have Volunteers all around just waiting to be asked to assist. Can we build the Pilot Club of Titusville? Did you know that in 2010, there were 36 million women volunteering in various organizations throughout the country? These volunteers are found in our friends/acquaintances, co-workers, family, neighbors, Churches, etc. Join the Membership Division and let's grow the Pilot Club of Titusville. If you need a membership application, please contact a division member.

Congratulations extended to the following in July and August:

Anniversaries: Carol Pederson (1992), Marge Nickolenko (2002), Carolyn Rigerman (1991-2005, 2008), Sheila Edwards (1981-2005, 2010) and Esther Porta (2010).

Birthdays: Pam Boddy, Pat Seifret, Carole Clarke, Ruby Myers, Jean Seiffert and Debbie Smith

We welcome your questions. Friends are quiet angels who lift us to our feet when our wings have trouble remembering to fly. Join the Membership Division as we increase our relationships.

News from Jonda Erwin, Division Chair

One of the ongoing project for this year is to collect supplies for the Scholarship Houses in Florida. Supplies include paper products, personal and household care, coupons. Marilyn Jones has plans to visit some of this houses during the year and will deliver the goods to the residents.

There are 3 Pilot Club Scholarship Houses in Florida:

LaVerne Weddle Pilot Scholarship House in Tallahassee,
Mary Ellen Thomas Pilot Scholarship House in Gainesville and
Gresham-Kite Pilot Scholarship House in Ft. Myers.

News from Robin Porta, Anchor Chair

First of all, I would like to thank Carol Pederson and Charlene Harper for wanting to be on our Anchor Division this year. I truly appreciate the support that all of our members have given to our Anchor Program these past several years.

We held our 1st meeting on Monday, August 13, 2012 in Mrs. Feaster's room. This meeting was for all returning members. We had 8 returning members, all of which are Seniors. Our next meeting is scheduled for Monday, August 20, 2012. This will be for all new and returning members. I do not have a confirmed member count at this time. As soon as I know, I will pass that information on to you all.

Until next time,
