

# Evening Out

**Finger-painting: It's not just for kids anymore!**

You probably have childhood memories of sitting at a table, dipping your fingers into thick, bright colored paint and doodling your way around a sheet of smooth, shiny paper.

These paintings were usually formless squiggles, blobs and lines – creative from carefree lack of inhibition.

Come join us for a fun, unique evening – bring an open mind and a shirt to get messy in!

We will supply paint, paper, wine, tea and snacks.

**Come be a kid again!**

Friday, November 22 from 7pm – 10pm

\$30.00 per person or bring a friend and you each get \$5.00 off.
