

The North Brevard Art League is moving our postponed annual art show to an online format. We have an updated prospectus and entry form for this show. Both documents are available for download at our website [www.northbrevardartleague.com](http://www.northbrevardartleague.com).

We are now accepting new entries until September 18th. Awards are presented in six categories. We offer one of the largest award purses in the Brevard art community. The show will stay up on our website indefinitely, and will be available to your family and friends everywhere.

We are excited about this new format, and hope it is a positive experience for everyone. If you have any questions, please contact Renee Stewart at [ressart1988@gmail.com](mailto:ressart1988@gmail.com) , or Val Stanley at [blessed-mom@hotmail.com](mailto:blessed-mom@hotmail.com).
