

Happy Holidays from Family Promise of Brevard!

give the gift of hope

Dear Friends of Family Promise of Brevard,

This Christmas, Riverside Presbyterian on Cocoa Beach will once again be providing a temporary home for families experiencing homelessness through our Interfaith Hospitality Network. Riverside's in-kind donation of their space, time, and unconditional support means that our families in transition are safe, nourished, and surrounded by support and compassion this holiday season.

How would a year-end donation help these families find their pathway home?

Consider that a....

- **\$25 donation** provides a day of shuttle transportation for a family to and from our host congregation and Resource Center.
- **\$50 donation** provides subsidized daycare costs for a family of four while adults are seeking employment.
- **\$100 donation** provides case management services for a week to assess, address, and alleviate the barriers to housing.
- **\$500 donation** provides utilities to our Resource Center for two months so our families can shower, do laundry, utilize computers for job and housing searches.
- **\$1,000 donation** stocks the pantries for four graduate families.
- **\$5,000 donation** helps us expand aftercare case management for five graduate families.
