ADDRESSING THE HEALTH INSURANCE NEEDS OF INDIVIDUAL CONSUMERS AND SMALL BUSINESSES IN BREVARD.

Substance Abuse Prevention

Circles of Care has some new programs available to provide Substance Abuse prevention and treatment to adults along with special parenting groups with a Substance Abuse treatment emphasis. These groups are conducted at the Circles of Care Babcock office during the day and evenings. There is no cost at all to participants and is a great resource for our community especially in the south area of the county. I would like to get the word out to all the agencies and I was wondering if you might be able to help?

All someone needs to do is call our Babcock office and self-refer. The number is 321-676-1260.

Meals on Wheels of America is featured in a new national campaign by the Ad Council designed to recruit new volunteer drivers. A lot of our long-time drivers in Brevard county are "aging out" and we need to replace them. It's a pretty fantastic series of videos – here's one to share. Thank you!
