## RANDOM THOUGHTS ON GROWING OLDER ...

*~Going out is good... coming home is even better!*

*~You forget names... but that's okay because other people have forgotten yours, too!*

*~You realize you're never going to be really good at anything.... especially golf.*

*~The things you used to care to do, you no longer care to do, but you really do care that you don't care to do them anymore.*

*~You sleep better on a lounge chair with the TV blaring than in bed. It's called "pre-sleep".*

*~You miss the days when everything worked with just an "ON" and "OFF" switch.*

*~You tend to use more 4 letter words ... "what?"..."when?"...???*

*~Everybody whispers!*

*~You have 3 sizes of clothes in your closet.... 2 of which you will never wear.*

*~But "Old" is good in some things: old songs, old movies ... and best of all, our dear ...OLD FRIENDS! Stay*

**I need everyone to wish me luck. I have a meeting at the bank later and if all goes well, I will be out of debt. I'm so excited I can barely put on my ski mask.**

So grab a friend and start cutting a rug to feel 10 years younger!
