AARP SAFE DRIVING CLASS (ages 50 & older)

Per Mr. Castro, the AARP class instructor, the safe driving classes will not begin as scheduled in September due to the COVID variant.

However, you can take the class online. The website is:
<https://www.aarpdriversafety.org>

Florida residents get a certificate at the end of class that's good for a reduction in auto insurance premiums for 3 years.

Muscle Memory, Strength, Balance

Tuesdays & Fridays, 10:30-11:30 PM

\$2 members / \$3 guests

When so young, we learn to walk, to balance on one leg. We learn to make a fist, lift items and so much more. But, as we age, we are less active, and our bodies don't respond so well when we tax them to perform what were once simple, routine movements.

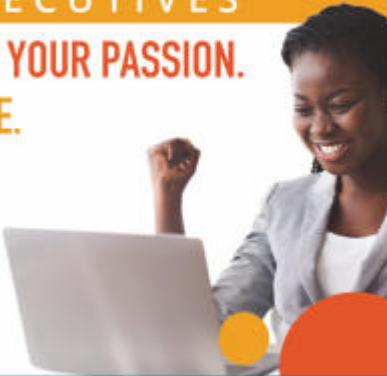

This class helps restore and strengthen muscles and their "learned behavior", helps with balance — critical to avoiding those pesky falls that plague too many seniors.

Come join Natine for this great class that participants say makes a difference in just a few weeks. For more info, call Natine at 321-609-0999.

THOUGHTS FROM "MR. ROGER'S NEIGHBORHOOD"...

Some days, doing the best we can do may still fall short of what we would like to be able to do, but life isn't perfect on any front, and doing what we can with what we have is the most we should expect of ourselves or anyone else.

If only you could sense how important you are to the lives of those you meet; how important you can be to people you may never even dream of. There is something of yourself that you leave at every meeting with another person.
