THOUGHTS FROM "MR. ROGER'S NEIGHBORHOOD"...

MAKING A DIFFERENCE

"We live in a world in which we need to share responsibility. It's easy to say 'It's not my child, not my community, not my world, not my problem.' Then there are those who see the need and respond. I consider those people my heroes."

LIFE

"You rarely have time for everything you want in this life, so you need to make choices. And hopefully your choices can come from a deep sense of who you are."

They say we can have gatherings with up to eight people without issues. I don't even know eight people without issues.

A friend told me my hubby was flirting with another woman. I said, "Let him. I want to see how long he can suck in his stomach."
