

# FUN SPOT AMERICA THEME PARK ORLANDO

People who signed up for Retreat Joy INDEPENDENT or LOW SUPERVISION will not be supervised at Fun Spot.

Fun Spot Orlando is where we spend Sunday at Retreat Joy. Unique multi-level racing go-kart tracks are what put them on the map. They also offer roller coasters and thrill rides. It is home to White Lightning, the only wooden coaster in Orlando.

Our tickets do **NOT** include the extreme thrill seekers ride - SkyCoasters.

The park also offers an arcade and Midway games, perfect for rainy days or for those who prefer to stay on the ground.

Beat the heat at the state-of-the-art Splash Pad in Orlando! It includes slip-resistant soft flooring, interactive water toys and spraying elements.

You can see gators! Gatorland and Fun Spot America teamed up to bring you Gator Spot, a 15,000 square foot oasis here at the Orlando park. See over 100 gators as well as exotic reptiles and birds.

**Join the fun at Fun Spot, it's Huge!!**
